## PUBLISHERS' PREFACE

The cordial appreciation accorded parts 1 and 2 of Towner's Male Choir and the popular demand for a more comprehensive volume of praise for male voices has induced author and publisher to issue the present volume, believing it to be a most helpful accessory in the service of praise, more especially for Y. M. C. A., Y. P. S. C. E. and Evangelistic meetings.

In its convenient pocket size it will, we confidently expect, occupy a large field of usefulness.
